Basanta Utsav

16th March , 2022

Organized by

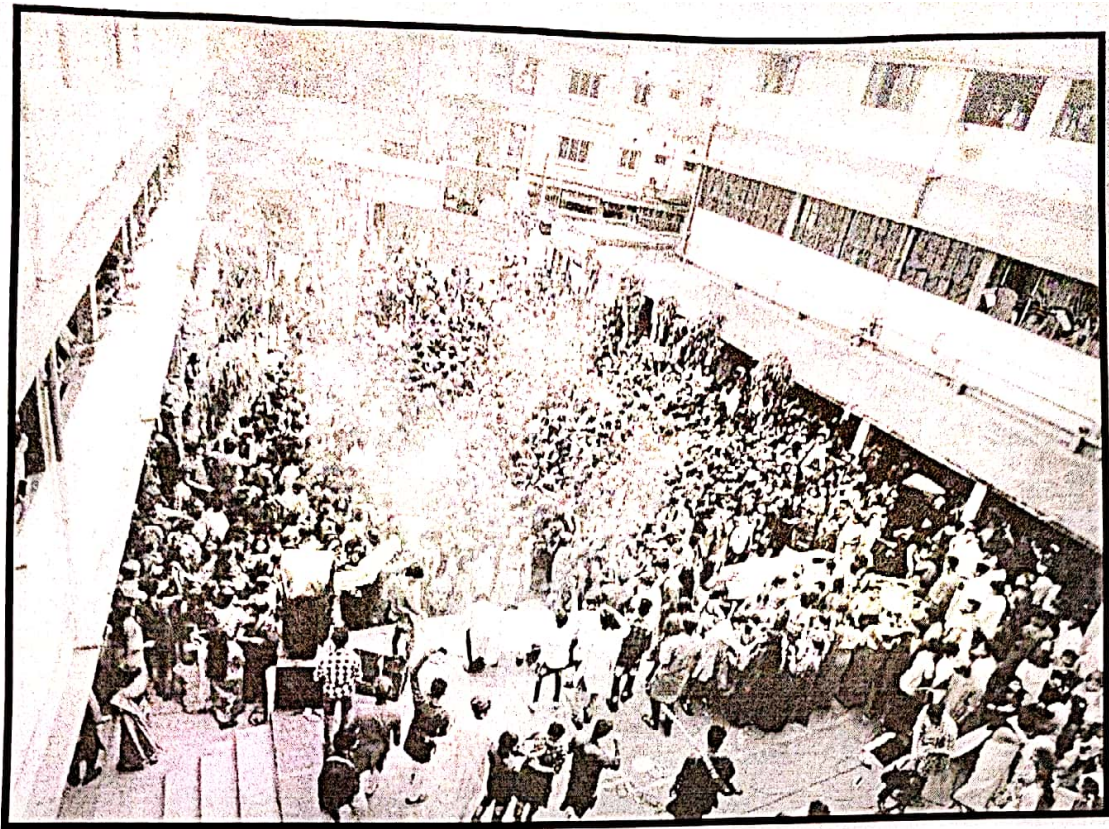

Cultural Sub-Committee, Lalababa College

Basanta Utsav (the celebration of the traditional Indian Festival of Colours) for the year of 2022 at Lalbaba College brought joyous tidings after the gloom and doom of two pandemic years. Heartfelt happiness and a fraternal spirit was bathed in a riot of colours on the college premises.

A sizeable number of students took part in the spontaneous overflow of goodwill and warmth and played with colours on that day. Iconic songs like "Faguner mohonay" and "Nil digonte" were performed by students in chorus. Both students and teachers enjoyed this celebration of the colours of spring and the colours in the human mind.

Objectives of the program-

- 1.Exploration of Indian culture through Indian festivals.
2. Establishment of unity among the diversity among students by erasing all divisions of caste-class-religion and region.
- 3.To strengthen the relationship between teachers and students.
