26th September, 2021

On 26th September 2021, the Department of History in collaboration with IQAC Lalbaba College organised a one day National level webinar on *Vidyasagar: A Historical Perspective*. This webinar focused on the life of Vidyasagar from a historical perspective on his Birth Anniversary. Born as Ishwarchandra Bandyopadhyay in 1820, he earned the title "vidyasagar" -- the "ocean of knowledge" after he translated a number of the William Shakespeare's dramas into Bengali. He also translated a number of Sanskrit classics. By simplifying Bengali typography, he made the language more accessible to the common people. Growing up, he became a powerful voice against oppression faced by women in 19th century Bengal.
