Lalbaba College, Belurmath, celebrated Pandit Iswar Chandra Vidyasagar's 201st birth anniversary on 30.09.2021 in online mode through Google Meet. This is an annual event in the college's cultural calendar that makes us ponder the humanist principles at the heart of the great intellectual and cultural ferment in nineteenth century Bengal, popularly known as the Bengal Renaissance.

The program was inaugurated by the Principal, Dr. Sanjay Kumar. In his address the Principal stressed the need to imbibe the life-lessons of Vidyasagar as evidenced in his complete dedication to the cause of education, and also in his notions of simple living and high thinking.

Participating students captivated the audience with their dance , elocution, lectures and songs in a themed performance geared to honour the memory of this great son of Bengal.

The event was curated by Dr. Soma Das, Convener, Cultural Sub-Committee, Lalbaba College. This online programme was moderated by Prof. Sanhita Ghosh.
