4th January, 2022

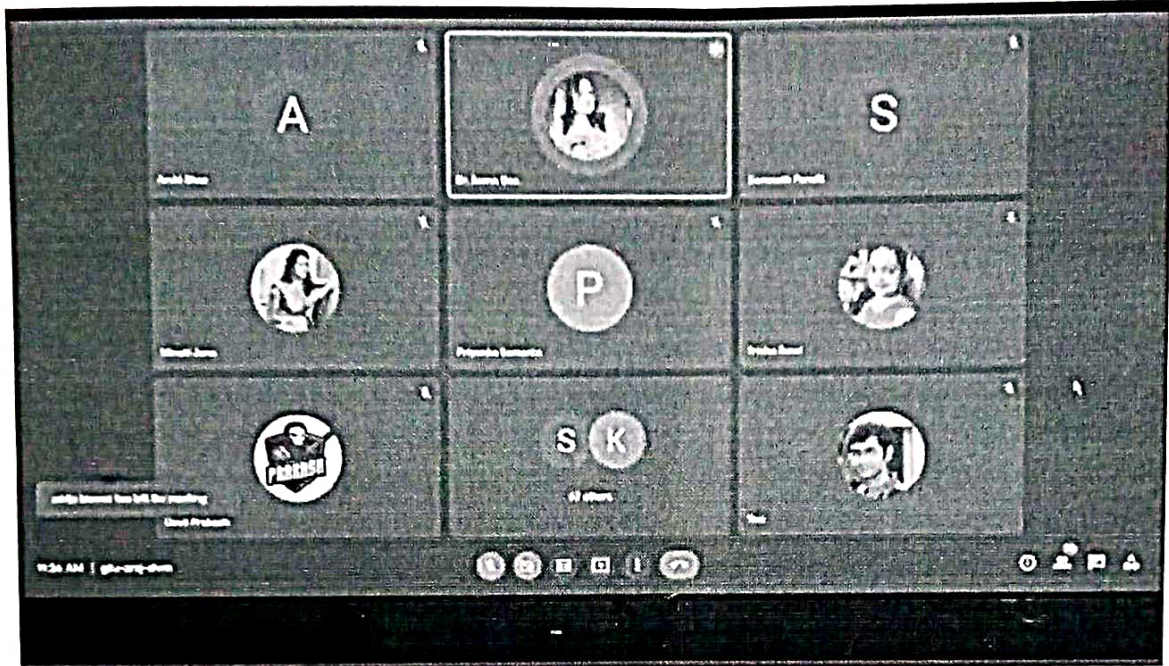

Organized by

Cultural Sub-Committee, Lalbaba College

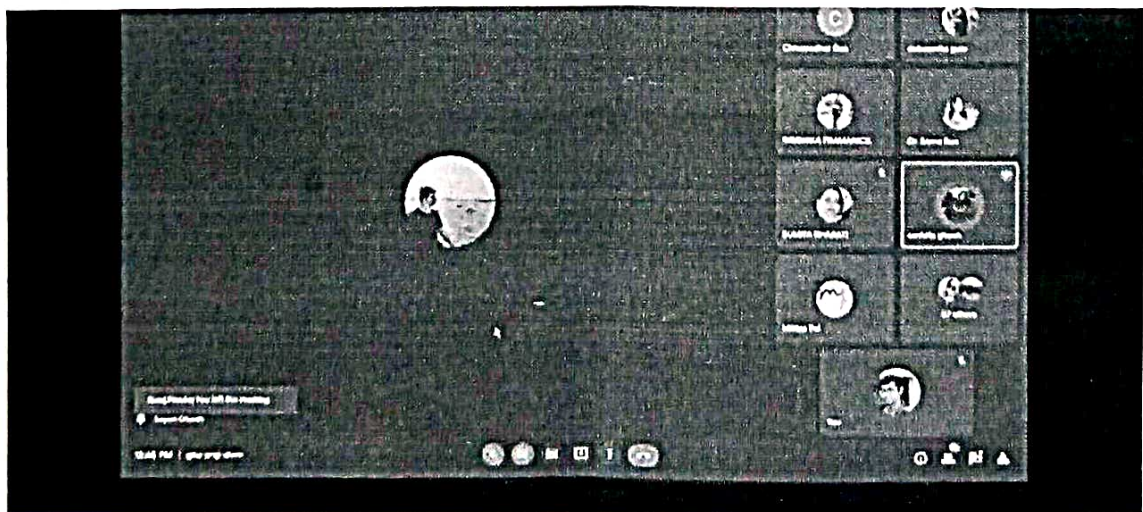

Acting upon the State Government's directives and suggestions a week of cultural competitions for students, in the first week of January, was flagged off on 4.1.2022. This "Students Week" was conducted through online platforms as Covid19 protocols were still in place. Several areas where students were invited to showcase their talents were dance, music, singing, elocution, debate and quiz. Several teachers acted as judges for the various competitions while a few others were part of an adept technical team that oversaw and conducted this entire week's events without a hitch. Students participated with great gusto and the results of these competitions were declared on 12th January, 2022.
