

Institution's Future Plans

The college has in hand several initiatives and plans that it hopes to bring to fruition in the upcoming academic year (2021-22). Prominent among the initiatives that the institution looks to implement in the upcoming academic session are:

1. Promulgation of a Model Institutional Code of Conduct for all stakeholders;
2. The inception of Green Campus, Green Audit, Energy Audit,
3. Water and Waste Management innovations;
4. The better establishment and furnishing of a Disabled Friendly environment in college.
5. The organizing of Gender Sensitization Programmes, Conferences and publication of volumes pertaining to Gender Equity.
6. Developing Rain water harvesting technique as water conservation facility.
7. Introduction of Add-On courses.
8. Opening of PG courses in the college.
9. Installation of Photovoltaic solar panel as alternate sources of energy and energy conservation measures.
10. Exclusive window tabs on the institutional website for uploading/storing individual and Institutional data with security password.
11. Construction of roof-top shed on Library block for new Seminar Hall and Smart Classroom.
12. Installation of Lift for staff members and physically challenged students;
13. To reduce water wastage, censor based auto system to be installed in appropriate places;
