

PROJECT REPORT

DEPT. OF ENVS

SEMESTER- II

Project of Aecc2(Envs)

Session : 2021-2022

TITLE OF THE PROJECT: A PROJECT REPORT ON VARIOUS MEDICINAL PLANTS

PLACE OF WORK: Lalbaba College

Date of commencement : 6/04/2022

Date of submission : 18/06/2022

DURATION: Two months twelve days.

NUMBER OF STUDENTS ELIGIBLE FOR SUBMISSION: 1156

NUMBER OF STUDENTS SUBMITTED: 1154

PROJECT REPORT SUBMITTED BY THE STUDENTS: Annexure-I

Student type: All honours and general students of sem II of BA, BSc and BCom of session 2021-2022 of Lalbaba College

OBJECTIVE OF THE PROJECT: To gather some knowledge about various medicinal plants and herbs in our surrounding locality and to grow interest among students about the nature.

Outcome of the project : The project helped the students to know about the identifying characteristics of the medicinal plants and herbs. They have got a brief but intense idea about the medicinal and non medicinal uses of various plants, such as: Tulsi, Neem, Turmeric, Aloe vera, Cumin etc.
